

The Schwartz/Reisman Centre (SRC) is a vibrant and welcoming hub that connects people to the Jewish community and inspires meaningful and healthy lifestyles. As primary destinations of Jewish engagement, the JCCs strengthen individuals and families through their dynamic program offerings. We are looking to add a **full-time** caring, committed, and creative **Hebrew Teacher** to our ECE Centre team (Daycare, Preschool and Before/Afterschool):

HEBREW TEACHER

What's in it for you?

While we offer competitive ECE Centre compensation rates and benefits, it's so much for than just a pay cheque. Be inspired every day as you walk into bright, sun-filled, well-fitted classrooms. Grow as a professional through our staff development program with mentorship and coaching. Shape the lives of children by infusing Jewish holidays and Hebrew language learning through the philosophies of ELECT, How Children Learn and JCC Sheva (exclusive to the JCC Association!). Surround yourself with supportive, enthusiastic, and experienced colleagues that make coming to work rewarding and fun. Embrace your inner child while participating with the children in sports, art, music, drama and swimming lead by enriched specialist instructors. We also have very generous staff perks and program discounts.

What are we looking for?

You are an enthusiastic individual with a love of working with children and a passion for teaching. You have an understanding of the ELECT framework and How Children Learn. With knowledge of Jewish life, traditions, culture and Israel, you have a creative and well-organized approach to differentiated teaching and learning. Demonstrating strong skills in program planning, curriculum implementation, documentation skills and **Hebrew fluency** will help you excel. English proficiency would be an asset. You understand the importance of relationship building with parents, colleagues and children - this is your home away from home, after all! You have a positive "can-do" approach, solutions-based problem solving skills and the ability to multi-task.

The "Fine Print"

Hebrew Teachers must have a B.Ed degree/diploma from Israel and demonstrated experience, preferably in Canada, in early childhood or elementary education. An R.E.C.E. diploma through the College of Early Childhood Educators in Ontario is an asset. Vulnerable Sector check, Child Abuse Registry Check, Immunization records, TB clearance (2 step) and Standard First Aid Certificate CPR-3 are required. Hebrew Teachers must be available for a 9 hour shift between 7:00 AM and 6:00 PM Monday-Friday.
