

VIDEO CONTENT EDITOR

16 Week Canada Summer Student (or recent Grad) Grant Position: 35 hours per week

The Prosserman JCC's Vision & Purpose:

At our core, we believe in inspiring people to live the Jewish lives they want to live. Our dynamic team is guided by our mission: to build and sustain a caring and vibrant community hub that is welcoming to all and based on a solid foundation of Jewish values and with a strong connection to Israel.

Although our physical doors have been closed since March 16, 2020, we have launched Virtual J and created an innovative platform to keep our community engaged in exercise, learning from topical thought-leaders, participating in dynamic programs and Jewish and Israeli Culture connection and holiday celebrations. Check out <https://virtualjcc.com/>.

We recently received funding from the Canada Summer Student Grant program and are delighted to be able to offer a media student or recent grad a contract position with our Virtual J team:

The Right Video Content Editor:

At your core, you're a media techie, with a passion and flair for video production. You are detail oriented and have a strong drive for results and a demonstrated positive track record in video content editing. You are able to work remotely with a fast-paced small team and a flexible schedule. **Jewish culture, traditions, and a connection to Israel** are part of your DNA and evident in your passionate and friendly interactions and drive to build Jewish Community through your contributions to Virtual J. Key skills which will make you a successful candidate include:

- ✓ Understanding of broadcast, livestream and podcast technology is a must
- ✓ Fluency in Final Cut/Premiere Pro or a similar editing software program to create digital content is a must (Intros, stingers, mini commercials, video montage of past streams)
- ✓ Fluency in Adobe After Effects or another animation program is a strong asset (animated logos, intros, info graphics, info screens, lower thirds)
- ✓ Graphic design capabilities with Photoshop, Illustrator or Sketch is valuable
